To Whom It May Concern:

This letter confirms the request made by Angela Krupica to amend samples with Sample ID S309025-01 and 02 (CC Sample ID 2309C4L0016.2737 and 2736) to change the batch number. Per AZDHS, if any kind of sample information is altered after the report is issued, then the only way a new report could be valid and defensible would be for the new report to have information of what was changed, date of change, who changed and why. This can be in the information area of the COA.

Below is Angela Krupica's official request received on 11/03/2023:
