Results relate only to the samples received and have been tested using validated state certified testing methodologies as required by Arizona state law. The report shall not be reproduced, except in full, without written approval of the laboratory. Limits and required tests referenced from A.A.C. Title 9, Ch. 17 and/or Ch. 18. Results are obtained in accordance with Plant Safe's Quality Assurance Plan and applicable standard operating procedures and are based on simple acceptance of the analytical value; the reported analytical value is used to determine pass/fail status for the indicated analytes. Plant Safe makes no claims as to the efficacy, safety or other risks associated with consuming this product.

Results relate only to the samples received and have been tested using validated state certified testing methodologies as required by Arizona state law. The report shall not be reproduced, except in full, without written approval of the laboratory. Limits and required tests referenced from A.A.C. Title 9, Ch. 17 and/or Ch. 18. Results are obtained in accordance with Plant Safe's Quality Assurance Plan and applicable standard operating procedures and are based on simple acceptance of the analytical value; the reported analytical value is used to determine pass/fail status for the indicated analytes. Plant Safe makes no claims as to the efficacy, safety or other risks associated with consuming this product.
