To Whom It May Concern:

This letter confirms the request made by Nathan Murdock to amend Samples ID S308130-04 (CC Sample ID 2308C4L0124.2649), S308130-05 (CC Sample ID 2308C4L0124.2650) and S308130-06 (CC Sample ID 2308C4L0124.2651) to change the Sample Name and Strain Name.

Per AZDHS, if any kind of sample information is altered after the report is issued, then the only way a new report could be valid and defensible would be for the new report to have information of what was changed, date of change, who changed and why. This can be in the information area of the COA.

Below is Nathan Murdock's official request received on 09/20/2023:

Hey Dakota,

Another quick change to an order.

On order 2308C4L0124.2651-2649 I spelled "Audios" instead of "Adios". Could we get that changed whenever you get a chance?

Thank you so much for your help.

Nathan Murdock Operations Manager nate@sublimeaz.com

Thank you, Jillian Blaney Technical Laboratory Director
